Brisbane Convention & Exhibition Centre – Brisbane, Australia

Don't Forget the Bubbles 17 (DFTB17) is a brand new acute paediatric conference that will cover cutting-edge research and insights into paediatric care. **DFTB17** is run by the team at DontForgetTheBubbles.com, an award-winning and internationally recognised online resource that specialises in providing up-to-date medical education to the entire spectrum of clinicians caring for children. With a diverse audience from quaternary centre paediatricians to rural GPs, **Don't Forget The Bubbles** provides a wealth of quality information for all-comers.

With the overarching theme of "Making a Difference", **DFTB17** keynote speakers will both inspire and educate the delegates to change what they do, to stop and think, and to truly make a difference to the care of their patients, their families and themselves. **DFTB17** will consist of three days of conference sessions, a Welcome Reception held on Monday 28 August 2017 and a "Don't Forget The Party" on Tuesday 29 August 2017.
